I have the honor to report the arrival here of H. M.'s Steamer "Dalhousie" I. N. with Government Treasure, Stores, and Passengers as per margin from Moulmein the 6th May, with the "Sesostris" in tow, having the 31st Regiment M. N. I. on board for Calingapatam; having landed the Troops and Baggage, I left that place on the 16th, Vizagapatam the 17th, Coconadah the 18th, and Masulipatam on the 20th instant, having landed the Government Treasure received here for Vizagapatam and Masulipatam and received the Government Treasure, Stores, and Details of Troops for this place.

I beg to report that there is some repair to be done here to the vessel's machinery and it is likely to cause her detention for perhaps ten days time.

I have also to report that there is an English ship on shore at Narsapore Point (called the "Albion" I believe,) the vessel has been aground for about a fortnight and from her position close in, and behind a sand bank, I do not think any large Steamer can get near her. I towed two boats with the Master Attendant of Coconadah to near the vessel on shore on the 19th instant and proceeded to Masulipatam to land and receive Government Treasure.

No. 41. ORDER THEREON, 25th May 1861, No. 177.
