*Proceedings of the Madras Government, Marine Department,
18th June 1861.*

No. 17. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India; to His Excellency the Honorable the Governor in Council, Fort Saint George, dated London, 16th May 1861, No. 18.

With your letter in this Department, dated the 22nd March last, No. 7, you have forwarded two Vouchers for the receipt of certain Charts indented for by the Master of H. M. S. "Cambrian" for the use of that vessel, and you request that the equivalent of Rupees 75, the value thereof, may be recovered from the Lords Commissioners of the Admiralty.

2. It has been the invariable practice of the Admiralty and the Home Government of India, to make gratuitous interchange of such Charts, published by authority of the Lords, Commissioners and that of the Indian Government respectively, as might be required for the purposes of the Royal and Indian Navies, and I have therefore not considered it necessary to claim from their Lordships the value of the Charts supplied on the occasion now referred to.

3. The whole question of the future mode of engraving and publishing Charts compiled in India, is now under my consideration in Council, in communication with the Lords Commissioners of the Admiralty, and you will have due notice of the measures which may eventually be adopted in regard to the subject.

No. 18. ORDER THEREON, 18th June 1861, No. 200.

Communicated to the Superintendent of Marine and to the Accountant General, in reference to the Proceedings 19th March last, No. 113.

(Signed) T. PYCROFT,
Chief Secretary.
