*Proceedings of the Madras Government, Marine Department,
19th June 1861.*

No. 33. Read the following letter from Commander F. W. HOPKINS, I. N., Commanding Her Majesty's Steam Vessel "Dalhousie," I. N., to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 19th June 1861, No. 119.

I beg to inform you, that two of the Engineers belonging to this Vessel, are sick, and unable to do any duty on board, and it is necessary, that at the least, one 1st or 2nd Class Engineer, be sent from the shore (for duty) as a temporary measure: and if possible, one who knows how to work Marine Engines.

As the vessel cannot proceed to Sea, without at the least one Engineer being sent, I beg to request, that one may be ordered from the Engineer's Department, to be sent on board for duty, as soon as convenient.

No. 34. ORDER THEREON, 19th June 1861, No. 208.
