Proceedings of the Madras Government, Marine Department,
21st June 1861.

No. 35. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 20th June 1861, No. 1,775.

I have the honor to inform you that the survey report on the "Governor Higginson's" Engines and Machinery, forwarded to me with the Order of Government on the 19th instant, was furnished to Messrs. Dymes and Co., who state that the repairs had already been taken in hand and that they would be completed and the Vessel ready for re-examination on Saturday the 22nd instant.

The "Dalhousie" will not leave Madras till the 25th, and as it would be preferable that the same Committee should ascertain whether their recommendations have been duly attended to, I have to solicit that Government will be pleased to request Commander Hopkins to re-assemble them for this purpose and report the result.

No. 36. ORDER THEREON, 21st June 1861, No. 209.

Communicated to Commander Hopkins with a request that he will re-assemble the Committee for the purpose stated in the above letter and report the result.

(Signed) T. PYCROFT,
