FINANCIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Extract from the Proceedings of the Government of India in the Financial Department, dated 22nd May 1861, No. 6,390.

Read letter from the Military Finance Department; to the Secretary to the Government of India, Financial Department, dated Calcutta, 16th May 1861, No. 93a.

With reference to your letter, No. 4,824, dated 20th April 1861, we have the honor to submit that, so far as the instructions apply, they appear in every way calculated to clear away many difficulties; but it would ensure the full consideration of any case wherein expenditure is authorized in excess of the sanctioned estimates, were the Government or authority ordering the additional expenditure to lay their proceedings specially before the Government of India; and by this clause being inserted in the rules already passed and conveyed in the letter under acknowledgment, we are of opinion that nearly all difficulties will be removed.

FINANCIAL DEPARTMENT, FORT WILLIAM, THE 22ND MAY 1861.

Resolution.—The Governor General in Council sees no objection to the proposal of the Military Finance Department that, in any case wherein expenditure is authorized in excess of the sanctioned estimates, the Local Government or the authority ordering the additional expenditure, should lay its proceedings specially before the Government of India.

To the Military Finance Department, in reply to letter, No. 93a, dated 16th instant.
