*Proceedings of the Madras Government, Marine Department,
6th July 1861.*

Read the following letters:—

No. 9. From J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 26th June 1861, No. 1,839.

I have the honor to inform you that the Collector of Malabar has brought to my notice that the Manager of Sea Customs at Calicut, has now for some months had charge of the Marine Department at that port without receiving any addition to his emoluments, and has requested that some allowance might be made to him on this account.

2. Under date the 11th January last, Captain Sergeant, the Master Attendant at Calicut, was granted two months' privilege leave. He left his post on the 22nd of that month, handing over charge of the Office to the Sea Custom Manager, to whom in a letter he promised (50) fifty Rupees a month during the period that he was absent from his duties. Captain Sergeant, however, did not resume his duties on the expiration of his leave, and consequently was held to have vacated his appointment from the date of its commencement. Mr. Grant therefore recommends that the Sea Custom Manager should be permitted to draw (50) fifty Rupees a month for performing the Marine duties.

3. I am not prepared to support the recommendation to its full extent. Mr. Grant hopes that if this allowance cannot be accorded, there will be no objection to the smaller one of (30)

thirty Rupees a month which was sanctioned on a former occasion when the duties were similarly transferred to the Sea Custom Manager. I think this Officer is fairly entitled to

some remuneration for the extra service he has had to perform. He took charge of the Office during the busiest time of the year, and as far as is known has conducted the duties in a satisfactory manner. I therefore beg to solicit the authority of Government for making him an allowance of (30) thirty Rupees a month, to commence from the date of his taking charge and to be continued until he is relieved.

Referred to the Civil Auditor for report.

27th June 1861.

Chief Secretary.

No. 10. From W. WATERFIELD, Esq., Officiating Civil Auditor; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 28th June 1861, No. 469.

With reference to Government Order of the 27th instant, I have the honor to report that I see no objection to the proposal of the Superintendent of Marine.

The full salary of the Master Attendant at Calicut remains undrawn from 1st January last.

No. 11. ORDER THEREON, 6th July 1861, No. 227.

His Excellency the Governor in Council is pleased to sanction an allowance at the rate of (30) thirty Rupees a month, being disbursed to the Sea Customs Manager at Calicut, for the period he performs the duties of Master Attendant at that port, during the vacancy of that Office. The allowance will be granted in arrears, and will be defrayed from the undrawn salary of the appointment.

Chief Secretary.
