PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, (Public Works), to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 7th June 1861, No. 24:—

SIR,

On receipt of your letter No. 17 of 20th March last, relative to extra expense incurred in landing coke from the "Mary Lord" owing to the inconvenience of the berth taken up by the Commander, a communication on the subject was made to the shippers of the coke, who in reply have explained that they did their best to protect the interests of Government by providing in the Charter party that the vessel should discharge alongside "any Craft, Steamer, Floating Depôt or Pier that the Agent might direct, or so near thereunto as she could safely get." It would thus appear that the necessity for extra expense in landing arose from neglect to enforce the conditions of the Charter party.

ORDER THEREON, 16th July 1861, No. 1,306.

Ordered to be recorded. A copy of the Despatch will be sent to the Superintendent of Marine with reference to his letter of 13th March 1861, No. 803.
