*Proceedings of the Madras Government, Marine Department,
7th August 1861.*

No. 7. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to J. D. SIM, Esq., Secretary to Government, Marine Department, Fort Saint George, dated 5th August 1861, No. 2,211.

Commander Hopkins of Her Majesty's Steamer "Dalhousie," in the concluding part of his letter of the 24th June last, observed that the Committee ordered to examine the state of the "Governor Higginson's" engines were of opinion that on her return here her boilers should be put in thorough repair, as some rivet heads were much worn from the action of the water.

2. The "Dalhousie" may be expected here to-morrow from Negapatam, and I have the honor to solicit that Commander Hopkins may be directed again to assemble a Committee to report on their fitness for making another voyage across the Bay and back at the present season.
