*Proceedings of the Madras Government, Marine Department,
14th August 1861.*

No. 23. Read the following letter from Commander F. W. HOPKINS, I. N., Commanding Her Majesty's Steam Vessel "Dalhousie," I. N.; to the Deputy Secretary to Government, Fort Saint George, dated 13th August 1861, No. 156.

I have the honor to acknowledge the receipt of Government Orders, dated the 9th of August, No. 1,003, with reference to which, I beg to report that the "Dalhousie's" bottom is somewhat foul, and consequently I may be unable to tow the vessel referred to, (the "Tubal Cain,") but I will do all I can to carry out the Orders of Government, and should I not receive orders to the contrary, I intend to leave this on Wednesday next, the 21st instant, after the arrival of the Overland Mail.

Communicated to the Superintendent of Marine, with reference to the Order of Government 9th instant, No. 1,003, Judicial Department.
