MARINE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant Colonel W. D. DOUGLAS, Officiating Director General of Telegraphs in India; to the Chief Secretary to Government of Madras, dated Calcutta, 9th December 1861, No. 938.

Agreeably to the accompanying No. 492 of the 9th instant, from the Officiating Auditor General, I have the honor to solicit that Orders of Government may be issued for an advance from the General Treasury at Madras to meet the immediate demand of Messrs. Maxwell Bland and Co., for balance of Freight of Telegraph Stores received from Liverpool per ship "Kildare" as per their bill herewith enclosed. The amount I beg may be paid through Mr. Blissett, the Superintendent of Telegraphs Southern Division, with deduction on account of the value of articles damaged or short landed, a memorandum of which Mr. Blissett has been directed to forward to you.

I further solicit that the interest claimed by Messrs. Dymes and Co., on the balance of Freight for Stores received per "Ceylon," as per accompanying correspondence, may be advanced to them should the Government Legal adviser be of opinion that Government is liable for interest for delay in payment of Freight. I have not seen their bill nor the contract alluded to by them, as having been entered into by the Home Government with Messrs. Bates and Stenhouse of Liverpool.

Pending the sanction of the Supreme Government to a special grant on account of Freight I further solicit that the Superintendent of Marine may be directed to obtain payments on account of Freight of Telegraph Stores consigned to Madras.

ORDER THEREON, 28th December 1861, No. 440.

Paid in London	492 8 11
Balance	£1,031 15 10
Exchange at 2s. per Rupee	Rs. 10,317 14 8

Mr. Blissett is requested to state what deduction should be made from Messrs. Maxwell Bland and Co.'s bill for the balance of Freight on Telegraph Stores ex "Kildare." On his furnishing this information, the necessary advance will be sanctioned.

2. With reference to the last paragraph of the Director General's letter, the Superintendent of Marine is requested to apply to Government for advances for discharging claims for Freight on Telegraph Stores.
