*Proceedings of the Madras Government, Marine Department,
17th April 1862.*

No. 41. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India; to His Excellency the Honorable the Governor in Council, Fort Saint George, dated London, 7th March 1862, No. 7.

1. I have to inform you that, on the receipt of your Secretary's letter, dated the 1st of October 1861, No. 318, payment of the sum of £5-16-8, the value of 200 lbs. of Turmeric therein stated to have been supplied from Her Majesty's Naval Stores in China to the Ship "Eastern Empire," was offered to the Lords Commissioners of the Admiralty, but that their Lordships consider that the papers forwarded by you do not furnish sufficient information relative to the supply in question, and have therefore requested to know "by whom and at what time" it was made.

2. I have to request that the additional particulars required by their Lordships may be communicated to me.

No. 42.

ORDER THEREON, 17th April 1862, No. 109.

Referred to the Accountant General.

(Signed) T. PYCROFT,
Chief Secretary.
