*Proceedings of the Madras Government, Marine Department,
1st February 1862.*

No. 1. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 20th January 1862, No. 155.

I have the honor to forward the accompanying Bill for 27 Hooks and
Thimbles supplied to the Steamer "Lady Jocelyn," and with the following
explanation, to solicit the special sanction of Government thereon.

RS. AS. P.
30 10 0

2. The "Lady Jocelyn" having been engaged at Calcutta for the conveyance to England of upwards of 200 Invalids and Effectives, the Government determined, shortly before she left, to place on board an armament of four short 32 pounders. The necessary fittings were however left incomplete, and on arrival at Madras the Commander applied to have the omissions rectified. They were supplied from the Arsenal, with the exception of the articles named in this Bill which were not in store.

3. The value of the fittings furnished will of course form a debit on the Bengal Government.

No. 2. ORDER THEREON, 1st February 1862, No. 24.

The Government sanction the cost, thirty-one Rupees, of "Hooks and Thimbles" supplied to the "Lady Jocelyn." The amount will be charged to the Bengal Government.
