*Proceedings of the Madras Government, Marine Department,  
3rd February 1862.*

No. 5. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Marine Department, Fort Saint George, dated 28th January 1862, No. 244.

I have the honor to submit the accompanying Bill for  $\frac{2}{3}$  advance freight on telegraph posts sent, on the requisition of the Superintendent of Telegraphs, Madras Circle, to False Point and Balasore, and under the following explanation, to solicit that a Treasury Order may be passed for the amount.

Rupees 2,094-10-3.

2. On the Bill being sent to the Superintendent of Telegraphs for payment or other adjustment, this Officer informed me that the stores were despatched on emergent indent on account of the East Coast Circle; that the charges consequent thereon have not been provided for in the Budget Estimate; and that therefore he is unable to liquidate the claim. The advance freight is due on production of certificate of shipment, or within a reasonable time after. I have no alternative therefore but to solicit a Treasury Order for the amount.

No. 6. ORDER THEREON, 3rd February 1862, No. 26.
