*Proceedings of the Madras Government, Marine Department,
6th March 1862.*

No. 9. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to the Honorable T. PYCROFT, Esq., Chief Secretary to Government, Marine Department, Fort Saint George, dated 20th February 1862, No. 576.

I have the honor to inform you that some short time back the Collector of Malabar applied to me to obtain the sanction of Government for an advance of (40) forty Rupees, which he had been obliged to make to the Master Attendant at Calicut to enable him to purchase Oil for the light at that Port, in consequence of the person who had hitherto supplied refusing to do so any longer. Under the impression that the sanction of Government was not required for so small an advance, I so informed him. It appears, however, that before writing to me he had communicated with the Accountant General with the view of obtaining his sanction to the advance, and was informed that application to Government should be made for the required sanction.

2. Under these circumstances I have to solicit that the sanction of Government be accorded to the advance which has already been made.

No. 10. ORDER THEREON, 6th March 1862, No. 57.

The Government sanction the advance of Rupees (40) forty, made by the Collector of Malabar for Oil for the light in the Port of Calicut.

(Signed) T. PYCROFT,
Chief Secretary.
