PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India; to His Excellency the Honorable the Governor in Council Fort Saint George, dated London, 23rd January 1862, No. 2.

Having had under my consideration in Council, the mode in which Coal for steam and other purposes is at present supplied to India, and having determined that the same shall in future be obtained by public competition, I have to request that Indents for Coal, for all purposes, may be annually transmitted in sufficient time, to arrive in this country by the end of April, in order that the advertisements inviting tenders for the required supplies, may be issued in the summer when Coal is cheapest.

ORDER THEREON, 4th March 1862, No. 182.

Ordered that a copy of the foregoing Despatch be furnished to the Mint Master for information and guidance, and also to the Military, Public Works and Marine Departments.
