

Proceedings of the Madras Government, Marine Department,

14th May 1866.

No. 36. Read the following letter from the Secretary to the Board of Revenue, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 8th May 1866, No. 3240.

With reference to the Proceedings of the Madras Government, in the Marine Department, dated 14th December 1865, No. 268, communicating to the Board the confirmation, by the Supreme Government, of the amended set of Boat Rules proposed by this Government, and directing the Board to furnish a list of the out-ports to which they may be made applicable, as well as the subsidiary regulations proposed by the local officers for each port, I am directed by the Board to state that, from the fact of the Government Rules not having been communicated to the Collectors, their proposed subsidiary regulations are in very many instances superfluous or contradictory, while the Board are unable confidently to state to what out-ports the Collectors would consider it desirable to apply the Government Rules.

2. The Board would, therefore, recommend that the Government Rules be printed, and forwarded to the Board, for communication to all Collectors of Coast Districts, with instructions to report, forthwith, to which ports in their Districts they would recommend the application of the rules, and what subsidiary regulations they would propose in addition to them.

No. 37. ORDER THEREON, 14th May 1866, No. 123.

Ordered that a copy of the amended Boat Rules, sanctioned by the Government of India, under date the 15th November 1865, be furnished to the Board of Revenue, for the purpose stated in the last paragraph of the letter above recorded.

(True Extract).
