*Proceedings of the Madras Government, Marine Department,
14th August 1861.*

No. 25. Read the following letter from Commander F. W. HOPKINS, I. N., Commanding H. M.'s Steam Vessel "Dalhousie," I. N.; to J. D. SIM, Esq., Secretary to Government, Fort Saint George, dated Madras, 14th August 1861, No. 157.

I have the honor to acknowledge the receipt of the Orders of Government, dated the 13th August 1861, No. 258, and beg to enclose the opinion of the Engineers who have again most carefully examined the Boilers of the Steamer "Governor Higginson."

To Commander F. W. HOPKINS, I. N., Commanding H. M.'s Steam Vessel "Dalhousie," I. N., dated Madras Roads, 14th August 1861.

According to your Order, dated 13th August 1861, we proceeded this morning on board the Steamer "Governor Higginson" and found that the Boilers have been temporarily repaired with sufficient strength to enable her to proceed on this voyage to Rangoon, but on her return we strongly recommend that she be laid up and properly repaired as it will be unsafe to run her any longer in her present condition.
