From Captain H. A. STREET, Her Majesty's Indian Marine, Port Officer, Madras, to the Chief Secretary to Government, dated Madras, 20th July 1888, No. G. 354.

Adverting to G.O., Marine, dated 27th April 1888, No. 163, I have the honor to acquaint you, for the information of Government, that, in accordance with the instructions contained in paragraph 2 thereof, Mr. W. H. Bartlett, Examiner of Port Fund Accounts, will retire from the service on the afternoon of the 27th July 1888. I beg, therefore, to enquire whether the proposal to constitute the Agent for Government Consignments Personal Assistant to the Port Officer, Madras, and to give him an additional allowance of Rs. 250 per mensem, making his pay in all Rs. 600—which proposal has been approved by the Local Government—may be brought into effect from the 28th July 1888, in anticipation of the sanction of the India Government.

ORDER—dated 1st August 1888, No. 365, Marine.

The letter from the Government of India read above will be communicated to the Port Officer, Madras, for information and guidance. Mr. Bartlett, Examiner of Port Fund Accounts, has already retired, and the reduction in the office manager's pay should be carried out at once.

2. In accordance with the instructions of the Government of India, the Port Officer, Madras, will in future be designated Presidency Port Officer.

3. The Governor in Council accepts provisionally the suggestion of the Government of India that the consolidated pay of the Agent for Government Consignments and Personal Assistant to the Presidency Port Officer should not exceed Rs. 500. As proposed by Captain Street, this arrangement may be brought into force with effect from the 28th July 1888. It appears to Government, however, that, considering the relative duties of the two appointments, seven-tenths of the consolidated pay will be too high a proportion to assign to the Agent for Government Consignments, and that it would be fairer to divide the consolidated pay equally between Port Funds (for the Personal Assistant) and Provincial (for the Agent for Government Consignments). Captain Street is requested to report on this point.

CHIEF SECRETARY
6 JUL 1888
GOVERNMENT OF MADRAS
CURRENT NO. 777

To
The Chief Secretary to the
Government of Madras,
Marine Department.

Sir,
I am directed to acknowledge
the receipt of your letter N^o 205, dated
the 21st May 1888, and to express
the satisfaction with which the
Government of India learns from
the proceedings transmitted with
it that His Excellency the
Governor in Council has adopted
and carried into effect the sug-
gestion that the management
of the Port of Madras should be

137 28
be vested in the Harbour Trust,
the Port Funds being collected
and dealt with by that body
as Conservators of the Port under
the Indian Ports Act. His
Excellency in Council has no
doubt that administratively...
and financially the transfer
of the control of the port from
the Port Officer to the Trust will
be successful.

2. In connection with this...
transfer the Government of
Madras proposes (1) that the
Assistant Port Officer should be
detached from the General
Administrative Branch of the
Port Officer's Department, and
become the Executive officer
of the Port of Madras under
the Harbour Trust Board with
the

the title of "Deputy Conservator,"
(2) that as the Port Officer of
Madras will now not be directly
concerned with the management
of the port, his present designa-
tion should be changed and
that of "Presidency Port Officer"
and "Superintendent of Marine" be
substituted for it; (3) that
the appointment of Examiner
of Port Fund Accounts may
be abolished; (4) that the
pay of the Manager of the
Port Officers Office be reduced from
Rupees 350/- to 150/- a month;
and (5) that the Agent for
Government Consignments should
be appointed Personal Assistant
to the Presidency Port Officer
with an allowance of Rupees
250/- a month from Port Funds.

17² 4⁶
in addition to his pay of Rupees
350/- a month.

3. I am to state that the Governor
General in Council approves the
first four proposals and they
may be carried into effect at
once. The designation of Presidency
Port Officer is more suitable than
that of Superintendent of ---
Marine and should be adopted.

4. As regards the 5th proposal,
I am to state that the Governor
General in Council considers that
the allowance proposed to the
Agent for Government consign-
ments for the light duties which
he will have to discharge as
Personal Assistant to the Presidency
Port Officer and in occasional supervision
of the office during the Port Officer's
absence seems to be disproportionately
high

high. It is understood that this
officer's duties as Agent for Govern-
ment consignments are not
heavy, and it occurs to the
Government of India that for
the additional duties to be assigned
to him, an allowance of Rupees
150/- would be adequate remun-
eration. Unless the Government of
Madras sees sufficient reason for
thinking that a larger sum is required,
the Governor General in Council will
recommend the sum now suggested
to the Secretary of State for India.

I have the honour to be,
^{Sir,}

Your most obedient servant,

J. F. P. P. P.

as to the allowance to be drawn
for the Agent for Govt. Consignments
as Personal Ass't to the Port
Officer. The Pay of the Agent
is Rs 350. This post suggested
a personal allowance of Rs 250 to be
given a salary of Rs 600 for all.
The Govt. of India suggest that
a personal allowance of Rs 150 will be
sufficient. As the Asst Port
Officer only draws Rs 700, the
highest paid up-country Port
Officer only Rs 370 (p. 1690 will
list for current quarter), the Indian
proposal might perhaps be adopted
if so only the arrangement be
carried out at once, in anticip-
ation of the Govt. of India's approval, as
requested by the Port Officer in C 695?

207 July 1888

Accept the reduction provisionally
with understanding that we
may apply again if we find 500
inadequate & that we may apportion
the charge between Port Funds &
Govt. as seems equitable.

Tell P.P.O. he may bring the change
into effect at once as proposed, &
to be paid how the incidence of the charge
be apportioned. It appears to me that 70
is too much for the duties of the Agent
for Govt. Consignments that the charge should be shared
