Order d/9th April 1895 it^o 107

The Govt: accepts
the P. P. O's recommen-
dations.

2. The proposition
statement sub^d by
the P. P. O. with his letter
N^o 690/252 of the 3rd
July last will be re-
turned to that officer
for revision and resub-
mission to the Fin-
ancial dept.

3. The P. W. dept
will be requested to
take the necessary
steps for the provision
of the temporary quar-
ters required at Cal-
cutta.

4. The following
telegram will be
despatched to the Govt:
of Bombay, Marine

who ought to go and learn
the working & manage-
ment of occulting mac-
hinery. It was not the in-
tention that he should
be detained in ordinary
charge of any light-house
for long. The result of his
being put in sole charge
at Madras has been that
he was prevented from
accompanying Mr: Ash-
pitel on his recent in-
spection of lights. Elkhing-
low is an ordinary keeper
on 12 Rs. & presumably
knows nothing about
machinery. The Mechanic
is intended to itinerate
& attend to the machinery
at all the lights when
necessary.

The other proposals
may, it is sub^d, be sanc-
tioned but purely as
temporary arrangements
pending orders on Mr:
Ashpitel's report.

C. No. 282.

From

J. W. Ashpitel Esq.

Dated 4th April 1895,FOR ORDERS.

I think we may accept the
P. O.'s recommendation.
He wants to get the man who
is to be light-keeper at Calingapatam
trained in the use of the light there.
It would not advance matters
to send the mechanic to Bombay,
unless it were intended to send
him eventually ^{to Calicut} & this I understand
will not now be done.

W
6 Apr

In para 3 of his letter
No. 690/390. 2.11.94. (S.O.
444, 14.11.94) the P. O.
recommends that the light-
house mechanic should
be sent to Bombay for
instruction at the Sunk Rock
light in view to his fixing
the new apparatus at
Calingapatam. He was to
be ready in two months as
he was in charge of the
Madras light during
the absence of the keeper
on sick leave. It has been
ascertained that the
keeper is still on leave
and will not rejoin until
the end of this month.

The P. O. proposes to
send Elkington, the head
keeper at Hope Island, &
intimates that this decision
has been arrived at in
consultation with Mr. Ashpitel.
That gentleman, however,
knows nothing of the matter
& declines to offer an opinion
as to his deputation.

It is submitted that
the Mechanic is the man

Sir,

In forwarding herewith letter No. 690/72 G d/ 16th March 1895 I have the honour to inform you that in my opinion it is necessary to send some one at once to Bombay to study the management of the occulting machinery. I am not acquainted with the qualification of the present Head Light keeper at Hope Island and can offer no opinion regarding his deputation in the place of the Light house Mechanic.

2. The establishment proposed in paragraph 2 of the Presidency Port Officer's letter should, it is suggested, be sanctioned as temporary.

SIR,

With reference to G. O., Marine,
N^o 444, dated 14th November 1894,
I have the honor to acquaint you,
for the information of Government
that in communication with Mr.
Ashpittel it has been decided that
instead of the Lighthouse Mechanic,
the man selected by me
for the post of Superin-

tendent of the new Light at Calinga-
patam (vide my letter N^o 690 9, dated
319 9, 21st August 1894) should be sent to
Bombay for the necessary instruct-
ion and I request sanction according-
ly. Early orders are also requested as
some person will have to be sent to take
charge of the light which will be ready
shortly.
