The Chief Secretary
Marine Department
Madras

Marine DEPARTMENT.

G.O., DATED 18th Apr: 75
No. 110

Honoured Sir

I am the Per clerk in the
Subsidiary Port office. My present pay is Rs 25.
My service in the department is 19 years. Ever
since I joined the dept I do assist the Port
clerk to keep matters without arrears. I now
hear that an additional clerk is to be appointed.
I beg to submit why the same is required while
the work is satisfactorily done. Under the ex-
isting scale if the Head clerk's post become vacant
I am the suitable man to get it. If a second
clerk is to be appointed the chance of promotion
will most probably be offered to him. Am I
to remain in my present position as Per clerk
till I retire? Had I joined the Revenue dept.
I would have obtained ere this time a better
footing whereas in the Marine dept. it is not so.

Under the circumstances
I pray that your honour would be kind enough
to issue orders that the Head clerk's post be given
to me when vacancy occurs as I am acquainted
with the work's also to assist him as hitherto I have
been eligible.

Subsidiary
25th March 1895

I beg to remain
Honoured Sir
your honor most obedient
servant
K. R. S. S. S.

When given for copying.
