Madras.
6th April 1895.

1895.

Sir,

I have the honor to forward herewith for favor of countersignature ^{three} bills for travelling expenses incurred by me in inspecting lighthouses. In G.O. 318 M. 7 10/8/94 Government ordered that I should receive the maximum allowances permissible under the rules but there seems to be so much doubt about what is permissible, that I have received no pay or allowances of any sort since I joined the Marine Department in January last except the advance of Rs 300 which Government was pleased to sanction ~~more~~.

2. If it is not irregular I request that the Accountant General may be instructed to pay me that portion of my pay and allowances about which, there is no doubt ^{as} I am at present borrowing money from my agents for current expenses.

3. I further request that Government will be pleased to issue instructions regarding objection NO 31 on objection statement marked A as it appears to me that, during my deputations to the Marine Department, I am entitled to the privileges granted to Port Officers under ~~article~~ 1117 of the Civil Service Regulations.

3. I also request sanction to the charges incurred for conveyance of camp equipage.

I have

I have since heard that a payment has been made but do not know how much.

PRESIDENCY PORT OFFICE,

Madras, *8th April*—1895.

From

PRESIDENCY PORT OFFICER,

Madras,

To

THE CHIEF SECRETARY TO GOVERNMENT,

MARINE DEPARTMENT,

Fort Saint George.

SIR,

With reference to G. O. Marine, No. 97, dated 2^d April 1895, I have the honor to state that I approve of Mr. Ashpitel's proposal so far as utilizing the old 4th Order Port Light at Calingapatam for a temporary light on the mainland opposite the Sacramento shoal, pending erection of the lighthouse at Thirithalmondi; but I find that this light is too heavy to hoist on the arrangements suggested by Mr. Ashpitel. A structure similar to the one now at Calingapatam and 20 feet in height (which could be put up

up at a cheap cost) will be required
and I request that the Public Works
Department may be asked to have
such a structure erected as soon as
possible. When this structure is
nearing completion, the necessary
notice to Mariners will be published.

2. It will be necessary for early
orders to be issued on my proposals
for an Establishment for the new
Light at Calingapatam as until
that Light is brought into use the
4th Order Port Light will not be
available for the temporary use
to which it is to be put.

I have the honor to be,
Sir,

Your Most Obedient Servant,

Walter Bewick

Commander R. I. C. B.
Presidency Port Officer.
