Sir,

I am directed by the Board of Trade to transmit herewith, a statement of expenses incurred by this Department in the relief of a distressed native of British India named Thomas Samuel late Assistant Steward of the ship "Lady Armstrong" and to request that you will be good enough to move the Secretary of State for India to direct that the sum of sixteen shillings and sixpence be transferred to the credit of this Department in the usual manner.

The above mentioned Seaman (a native of Madras) shipped in the "Lady Armstrong" at Madras on the 14th July 1894, and deserted the vessel on the 10th August 1894 by jumping into the Suez canal. On the arrival of the vessel at Port Said the desertion was reported to Her Majesty's Consul by the Master who obtained the certificate endorsed on the Agreement required by Section 207(4) of the Merchant Shipping Act 1854.

I am to add that ultimately Thomas Samuel shipped in another vessel at Port Said.
