[Despatch Abstract.]

Passing orders on
a proposal to con-
struct a compound
wall and latrine
at the Flagstaff
at Juddalore.

CURRENT No. 364

No. 321.

9TH MAY 1895, No. 1108 W., PUBLIC W.

From The P. O.

Dated 23 April 1895.

FOR ORDERS.

The P. O. submits
an est. of Rs. 1500 for a
Compound wall round
the flagstaff at Cuddalore.

The ground has
been taken up in accord-
ance with para. 7 of S. P.
173-d of 12. v. 94.

Please see Sir
Henry Stokes' remark
on C. 333 in G. P. 151/93.

The necessity for
the wall has not been
demonstrated - It shd.
suffice if the ground
acquired round the
flagstaff is kept clear.

Port Funds (Soutie
ar col. Dist.) have some
20,000/ in hand.

I would sanction the
latrine - but instead of
a wall - I would give
a wire-fence such as is
recommended by the D. P. W.
for the protection of all other
port. buildings.

The latrine is needed -
As to the fencing of the ground,
I don't believe in wire fences,
which don't really serve & keep
out cattle & such, which,
especially close to the sea, will
be a constant source of expense
for repairs. At the same time,
I don't see the need of a wall -
The Signalmen flight keeper
can't have so much to do that
they can't spare the time to
plant & maintain a Korakapillai
hedge. I'd tell them to do so.

decision of Government on the
question of acquiring the land

The latrine is needed and its construction is approved. but the compound wall does not seem to be essential and the Govt. is not prepared to sanction any expenditure on it. The Signaller and light keeper can no doubt spare the time to plant and maintain a Kora & pillai hedge round the premises. They should be instructed to do so.
