1. Read Proceedings of the Madras Government dated 3^d August 1895, 201260. In this, on letter of Chairman Municipal Council, Vellore submitting explanation called for in Q^d reviewing the Municipal budget for 1895-96, as a proposition statement.

The council are of opinion that 7 persons are sufficient under the Conservancy staff and that the remaining 14 persons may be drafted into the Municipal office where their necessity is most urgently felt as the present number of 2 persons is hardly sufficient to cope with the heavy work of the office.

*Mic.*Order.

The Government is not satisfied of the ^{experience of} necessity for employing four additional persons. ^{Two of these to be attached to the Municipal Council office, and one for the Municipal Surveyor. If these seem to be altogether unnecessary, three men should be ample to do the work in the office.}

The proposal cannot be sanctioned.

2. As regards the establishment of three additional notices for the private scavenging service, the Chairman is requested to submit a copy of the Resolution of the Municipal Council on the subject and to report the number of private labourers hitherto ^{employed} by this agency and the present number of them.
