To
THE CHIEF SECRETARY TO GOVERNMENT,
MARINE DEPARTMENT,
FORT ST. GEORGE.

SIR,

In G. O. Revenue, N^o 1276, Miscellaneous, dated 29th March 1894, certain proposals for the construction of Customs godowns at Negapatam have been approved by Government. The land on which it is intended to build these godowns belongs to Government in the Marine Department, having been reclaimed some five years ago at an expenditure of over Rupees (30000) thirty thousand, from Port Funds. I submit that the Marine Department should benefit to some extent by the allotment of sites on this land for the purpose above specified and would

per centage of the godown^{Rent}, realized
should not be credited to Port Funds.
In view of the new Import Duty
the revenue by godown-rent should
be much larger than hitherto.

No. Ref. on cum No. 1145 of 1894

FROM
J. Thomson ESQUIRE,
Acting COLLECTOR,
TANJORE,

To
The chief SECRETARY TO GOVERNMENT,
Marine DEPARTMENT,
MADRAS.

SIR,

The Presidency Port officer, Madras, in
his letter, dated the 29th June 1894, No. 500
247, herein enclosed, suggests for the considera-
-tion of Government whether a percentage
of the rents, that will be realised from the
customs godowns proposed to be constructed
at Negapatam under the sanction con-
-veyed in Government order No. 1276. Rev.
Mis dated 29th March 1894, should not be
credited to Port Funds in view of the
fact, that the land on which it is
intended

intended to build these godowns belongs

to ~~the Marine Department~~ the Marine Department and was reclaimed some five years ago at an expenditure of over Rs. 30,000 from the Port Funds.

2. The sites on which the godowns are proposed to be constructed are marked

A. Grain shed	A and B in the accom-
B. General goods warehouse for export and import	-panying plan. The

Head Assistant collector states that plot A forms part of Paimash No 4836, measured as "sea beach uppanar", and that it is reported to have been made over to the Public Works Department ^{by} about 30 years ago, and transferred ^{to} the marine Department 20 years ^{or} later. From the Negapatam Port officer's report it appears that a boat basin was dug on this land in 1883, at a cost

cost of nearly Rs 6000, which basin was filled in, in the years 1888, and 1889, and the land reclaimed at a total cost of nearly Rs 24,035. Plot B has been measured in Paimash as "Uppalar^{veliyal}" (saline waste); is reported to have been handed over to the municipality in 1875 and transferred to the Marine Department in 1891.

3 The Head Assistant collector is of opinion that if at all any amount is to be credited to "Port Funds" it should either be a sum down or a fixed rent and not a percentage of the collections as the Presidency Port officer desires to have

4. The Port Fund seems properly entitled to claim possession of the land

land and it is for Government to decide on what terms the customs department shall hold it

5. I request that the plan may be returned when no longer required
