From

Commander W. Lowell. R. I. M.

PRESIDENCY PORT OFFICER,

Madras,

To

THE CHIEF SECRETARY TO GOVERNMENT,

MARINE DEPARTMENT,

Fort Saint George.

SIR,

I have the honor to acknowledge the receipt of G. O. Marine, No. 148 of 29th May 1895. There appears to have been some misapprehension in assuming that the pay of Rupees (76) Seventy six now drawn by the Manager of the Office of Agent for Government consignments is the pay of the Head Clerk raised to this sum from Rupees (40) forty in 1889. This is not the case, nor is the individual who holds the Manager's post the same person who

There appears to have ^{been} a misapprehension the Head Clerk remains and there is a Manager on Rs. 75. He was given in 1889 and the complaint is that his pay is inadequate. Whilst the Agent for Govt. consignments is away from Madras he gets Rs. 30 extra but when the Presidency Port Officer is on tour and the Resident Agent does his work the Manager gets nothing. The assertion made as to increase of work is not based on Govt. consignments part of the Agent's duties but upon the increase of the Manager's work owing to the Agent having the P.O.'s duties to attend to. It is submitted that if an increase is allowed it should be to Rs. 100 and no more.

I think that under the circumstances the Manager's pay might be raised to 100 Rs. a month. As the C. S. says it is not on account of the Govt. consignments work that the demand is made - but by reason of his frequently having extra work thrown upon him - on which occasions he incurs responsibility.

There is nothing
previous
in the papers to show
that the man who was
in receipt of 40¢. was
not promoted to the
new app't. on 75¢. The
earlier prop. statement
is not available but
they never contain
names. It is clear though that
he was not.

a mistake has
evidently been
made as to
this individual. —

* He has been M/SB on
General Act.

The pay of the agent
for Govt. consignments
is only 35¢. so it seems
altogether dispropor-
tionate that the Man-
ager of his office should
receive 100.5. 120¢.

Please see para
14 of 6. 11. 94, No. 426 Mar
Taking the totals under
"banded" & "skipped"
it appears that there
has been a steady
decrease in the work
of the A.G.C. & his Est.
It is sub^d that the in-
crease shd. not be sanc^d.
