No. 1.4

OFFICE OF THE CHIEF ENGINEER FOR IRRIGATION,
Madras, 11th January 1895.

From F.W.Ashpitel Esquire
ASST: ~~THE~~ CHIEF ENGINEER FOR IRRIGATION, & Under Sec-
retary to Government, P.W.D. Irrigation Branch.
To

THE Chief Secretary to Government,
Marine Department
Fort Saint George.

Enclosures.

SIR, With reference to G.O. 318, dated 10th August 1894,

placing my services at the disposal of the Marine Department for the inspection of lighthouses I have the honor to request sanction to the appointment of a peon on Rs 15 per mensem to accompany me on my tour.

2. Ordinarily an Executive Engineer is allowed four peons but I should prefer the appointment of one peon on higher pay who can assist me in taking measurements and in many ways in which an ordinary peon would be of but little use.

3. The man whom I should prefer to appoint is one Khadar Hussain duffadar of the Tank Restoration Scheme Central office who now draws Rs 10 per mensem. He is an intelligent man and knows several languages.

4. The rate of pay for which sanction is asked is the same as the peon would draw if taken to Ootacamund and is not more than sufficient to cover the extra expense he will be put to seeing that he will be called upon to travel outside the limits of the Madras Presidency and by sea. Many of the journeys will also be rapid and the extra expense the peon will be put to will be considerable.
