PRESIDENCY PORT OFFICE,
Madras, 15th July 1895.

From

Commander W Powell, R. I. M.,
PRESIDENCY PORT OFFICER,
Madras,

To

THE CHIEF SECRETARY TO GOVERNMENT,
MARINE DEPARTMENT,
Fort Saint George.

SIR,

In the recent Notifications in the "Fort Saint George Gazette" regarding the grant of more favorable leave rules to certain Officers, I observe that no mention is made of Gazetted Officers serving in the Marine Department of this Presidency, and therefore request that the Government of India may be addressed with a view to the concession being extended to them.

2. It seems probable that the Department being a small one has been lost sight of; but the claims of the Officers seem to me to be on par with those of others to whom the concession has been granted.

3. These officers are in some respects more in need of the concession; the service is now distinctly an European one; the Officers take up appointments later in life, and feel the

the effects of the climate more. A reference to the records of the department will shew that the percentage of deaths has been very high.

4. Mr Baddeley, formerly a Port Officer and now Agent for Government Consignments and Personal Assistant to the Presidency Port Officer, is an Officer whose present emoluments have been fixed with the special sanction of the Secretary of State, and would therefore on those grounds appear to be entitled to the rules as the order stands. I request the views of Government on this point.

Sir,

Your Most Obedient Servant,

Walter Powell

FOR ORDERS.

The Presidency Port Officer requests that India be moved to extend the grant* of the more favourable rules embodied in Ch XIII of the C. S. Regulations to gazetted officers in the Marine Dept.

*vide Govt of India Resolution Finance & Commerce Dept No 2959 P. d/22-6-95

In para 8 of the letter from the Govt of India No. 4845, d/9th Oct 90, in G.O. 398 of the 17th Nov 90, it is stated that the "Regulations "do not apply to all the Marine "Officers named in Article 330, "but only to those of them who "are appointed by the Secretary "of State or with his particular "sanction".

vide art: 330(c) C.S.R.

Commander Powell states that

(1) the service is now distinctly European

(2) the officers in it take up their appointments comparatively late in life and so feel the effects of the climate more

(3) the percentage of deaths in the Dept. is very high

He therefore considers their claims equal to and in some respects greater than those of the officers to whom the concession has been granted

He further states that as the present Emoluments of Mr. Baddeley Agent for Govt Consignments and Personal Asst. to the P.P.O were fixed under the special sanction of the Secretary of State, that officer is apparently entitled to the rules as the order now stands. This however is not the case. The Secretary of State merely sanctioned* an increase of pay to Mr Baddeley as required by Article 86 C.S.R, the effect of the increase being to raise

raise his salary above Rs 5,000 a year. This does not mean that he was appointed by the Secretary of State or with his special sanction

It is submitted that considering the present discontent in the Dept India might be moved to grant the concession asked for.

Asst Supdts of Police and Asst Comrs of Salt have been included by India – they are at present all locally engaged men the same as are the Port-Offrs. No other Presy has a Marine Dept similar to the local one. It is subd: that India may be moved to include Port-Offrs. & the A.G.C. in the concession

LETTER of 2nd August 1895 No. 231

TO
The Secretary to the Govt. of India,
Fin. & Com. Department.

10 AUG 95
M.S

SIR,

With reference to Resolution Finance and Commerce Department, No. 2959 P, dated 22nd June 1895, granting more favourable leave rules to officers of certain branches of the Service, I am directed to point out that no mention is made therein of gazetted officers (Ports Officers and Agents for Govt. Consignments) serving in the Marine Department of th Presidency. As t~~here is no similar~~ the department is a ~~[illegible]~~ comparatively small one and is as far as is known no ~~Department elsewhere in India~~ similar to the Depts elsewhere in India it is possible that the omission of it may have been due to ~~an~~ over-sight.

3. The Presidency Port Officer Madras, reports that the service is ~~now~~ distinctly European, that the officers in it enter the Dept. comparatively lat in life, and so feel the effects of the climate more, and that the death-rate among them is very high. They are ~~there~~

therefo

therefore even more in need of the concession stronger than some of the classes of officers to whom it has been granted.

3. It is observed that present Assistant Superintendents of Police and Assistant Commissioners of the Salt Department, who, like Madras Port Officers, are locally engaged men, have been admitted to the more favourable rules, and I am to convey the strong recommendation of this Govt. that the privilege may be extended to gazetted officers of the Madras Marine Department.

4. In regard to the case of the Agent for Government Consignments, the Presidency Port Officer states hat, as his present emoluments were ixed with the special sanction of the cretary of State, he is apparently entitled to the rules as the order now stands. This, however, is incorrect as the Secretary of State merely sanctioned[x] the pay of the appointment as the increase ~~made~~ from London it more than Rs.[+] 5,000 a year.
