SIR,

With reference to Marine Department, Memorandum, No. 1695, dated 22nd July 1895, I have the honor to report that, with reference to Resolution 4, the Board was informed that the charge is not one that can properly be debited to Contingencies, and that being of a recurring nature, it required the sanction of Government under article 98 (m) of the Civil Account Code. The Board thereupon requested me to obtain the sanction of Government to an increase of pay to the Patrol Officer which I replied I was not prepared to recommend.
