With reference to G.O. No. 1009 W., dated 30th April 1895, I have the honour to submit, herewith, plan and estimate amounting to Rs. 280, for constructing temporary quarters for the light-house superintendent and additional keepers at Calingapatam, and to request that you will be good enough to obtain sanction of Government to the same.

2. The Executive Engineer has already been instructed to put the work in hand at once in anticipation of sanction to the estimate which has been countersigned by the Presidency Port Officer in token of his approval.

3. The estimate in question is submitted for the sanction of Government as the Examiner, Public Works Accounts, has in his letter No. 809 C., dated the 7th March 1895, said that every estimate for the construction of a residence for a Government official should, irrespective of the amount involved, be sanctioned by Government.

ORDER—dated 23rd July 1895, No. 1808 W., Public Works.

The estimate amounting to Rs. 280, for constructing temporary quarters for the light-house superintendent and additional keepers at Calingapatam in the Ganjam district, is sanctioned.

2. It is observed that an allotment of Rs. 348, inclusive of percentage charges, has already been sanctioned for the work (*vide* G.O. No. 1703 W., dated 11th July 1895).
