Forwarding letter from

re the reclamation  
of land on the fore  
shore of Tuticorin

No. 498.

From The P. W. Dept.

Dated 10<sup>th</sup> July 95. 189 .

## FOR ORDERS.

A small piece of the ground attached to Messrs Ralli Bros' premises at Subicorin is required by Govt in connection with the reclamation & pier works.

The compensation was previously roughly estimated at Rs. 1000 (para. 9 of S. E. letter - S.O. 382 d/24.9.94) but the figure has now been raised to Rs. 3000.

The firm is willing to accept in exchange a piece of the reclamation. Messrs. S. suspects they wish to build on it and would therefore rather pay the large amt of compensation.

The P. W. D. concurs. It is sub<sup>d</sup> they are correct. It is most inadvisable to have private interests in such a spot.

Yes; the land sh<sup>d</sup> be acquired by way of money compensation. The creation of permanent private

Agree that no part of the foreshore should be made over permanently to private firms. When the reclamation is complete, if the whole of it is not required for port purposes, it will probably be feasible to lease it out for use for private warehouses &c. At the same time it must ~~be understood~~ not be a cause for surprise if the compensation ultimately found payable may be more than Rs. 3000. The proposal is to cut off a corner of Ralli Bros' premises to allow the Rg to run on to the beach & they may, if they please, compel the acquisition of their whole premises.
