~~Leave~~ Acting allowances.

Presidency Port Office,
Madras, 13th July 1895.

From
Commander W. J. Powell R.I.M.
Presidency Port Officer,
Madras,

To
The Chief Secretary to Government,
Marine Department,
Fort Saint George.

Sir,

With reference to G.O. No. 186, Marine, dated ~~28th~~ 25th June 1895, Communicating letter from the Government of India No. P/2793 dated 12th June 1895, I have the honor to request, that it may be pointed out to the Government of India that Commander W. J. Powell, Presidency Port Officer, Madras, was granted Privilege leave for 60 days in October last by the Local Government under para 143, Vol. I, Part II of the Indian Marine Regulations and not by by the Director of the Royal Indian Marine under the rules quoted in the Government of India letter.– These rules are apparently intended to apply only to cases of Royal Indian Marine Officers who are employed afloat or in Dockyards and who are granted Privilege leave by the Director of the Royal Indian Marine, and not to the Officers holding shore appointments specified in para 40 Part I Vol. I of the Marine Regulations. The rulings of the Government of India contained in para 143 referred to above do not prohibit the grant of acting allowance by the Local Government to acting Officers in shore appointments in consider-

-ation

-ation of the additional work and responsibility devolving on them.–

2. I would point out, that on occasions when the Presidency Port Officer proceeds on Privilege leave, the Deputy Conservator is the only Indian Marine Officer available to act for him, and it is necessary that the latter should be granted acting allowance to compensate him for the extra work and responsibility devolving on him; and for the same reason the Agent for Government Consignments who is the only gazetted Nautical officer available on the spot to act for the Deputy Conservator, should also be given the acting

allowance

allowance admissible under the rules.

3 The last mentioned officer is not under the Royal Indian Marine Rules, and under the Civil Service Regulations he is entitled to draw, an acting allowance of 1/5th of the pay of the officer on Privilege leave for whom he acts. These allowances are debitable to Port Fund, and not to Provincial or Imperial Revenues.

I have the honor to be
Sir,
Your Obedient Servant

Walter Powell
Commander R.I.M.
Presidency Port Officer

The above seems to be the best disposal. It is not advisable for this Govt to enter into a controversy with India in regard to its interpretation of its own rules. Condr: Powell seems to be quite right & it will be just as useful & convenient to let him point out India's error. F. D. B.

SIR,

With reference to Memorandum in the Marine Department, No. 1677 dated 19 July 1895, I have the honor to acquaint you, for the information of Government, that I have not overlooked article 66 of the Marine Regulations Vol. I Part II and the article 120 of the Civil Service Regulations.

2. Article 66 of the Marine Regulations referred to regulates the pay and allowances of non-Gazetted officers such as persons employed in shore office establishments and those on the establishment of Gunners and clerks employed afloat in the Indian Marine vessels

vessels, whereas article 65 regulates the pay and allowances of the Gazetted officers of the Royal Indian Marine holding shore appointments and acting in another similar appointment.

FOR ORDERS.

Commr. Powell seems to have made out a good case for the rule quoted by the G. of I. in its letter in G.O. No. 186-7 dated 25/6/95. It does not appear to apply to the officers whose leave is granted by a Local Govt. and not by the Dir. of Indian Marine.

It is questionable however whether it is of much use going on fighting as the G. of I. is bent upon the point put forward by it & will no doubt ~~[illegible]~~ something else. It is rather hard all the same on Commr. Hewitt.

6/8/95.

I.e. that local Govt. should always follow the same rule as is laid down when the Director grants leave

We must chance this. The P.P.O.'s letters ought to go to India.
