If you approve the draft as altered it will be recopied. Rule 1 in sp. 271 restricts admission to Saturdays 2 to 4 p.m. It is evident that those rules have not been enforced. I expect the keepers levy a small charge of their own on country visitors. A globe broker arriving on Sunday at Trinity House lights the house for visitors late 11 to 4.

J.S.B. Supp. previous note you said arriving leaving on Sunday 23/8/5. Saturday

Yes I think this will do. At any rate we might ask the P.O. what he has to say to them

TO

The Presidency Port Officer.

The P.D.O. shows it is submitted sufficient
reason for placing some restriction upon
visitors to the Light House.

Things may be as stated in the
Office note and the Light House
people may possibly make money
if not by demanding ^{the} money taking
tips.

This latter point will be put a
stop to unless a notice was put
up in English & the vernacular
at the Light House or was printed
on the passes ~~stating~~ ^{stating} that
the Light House Establishment was
prohibited to receive any money.
This is what is done at the "Jaf"
& other places in Southern India.

The Office at first put up a Draft
limiting visitors to the Light House
to Saturdays between certain hours
but I thought that this was cutting
things down rather too much.

If allowing visitors every day
is considered too much then
might be confined to Wednesdays
& Saturdays between 11 ^{AM} & 4 PM.

It seems hardly necessary to put
people to the trouble and annoyance
of not personally knowing the
P.D.O. or his establishment producing
references. It seems as well that
passers & soldiers should be given
only on applications countersigned
by their Officers. This will give
them no appreciable trouble.

I propose to publish in the
official Gazette after it has
received the approval of
Government.

Your Obedient-Servant,

THE CHIEF SECRETARY TO GOVERNMENT,

MARINE DEPARTMENT,

FORT ST. GEORGE.

SIR,

I have the honor to report that the Rules regulating the admission of visitors to the Madras Lighthouse (G. O. Marine, No 271, dated 7th July 1894) have been found unsuitable as the crowds of visitors to the Lighthouse render it very difficult to keep the place clean. I propose, therefore, that visitors should only be admitted on production of a Pass and to issue these Passes sparingly as directed in G. O. Marine, No 295, of 15th August 1893, I enclose draft of a notification which I

Admission of Visitors.

In Supersession of the notice regulating the admission of visitors to the Madras Lighthouse, published at page 1124 of the "Fort Saint George Gazette" of 17th July 1894, Part II, it is notified that admission to the Lighthouse will, in future, be permitted only on production of a Pass from the Presidency Port Officer which should be obtained by an application to that Officer. Applications from unknown persons must be accompanied by satisfactory references and those from soldiers of the Garrison should be countersigned by an officer of their Regiment.
