The grant of any such allowance is unprecedented. -rd and India wd. be cer- tain to refuse to recom- to the S. of S. The duties are really part of the ordinary work of a P. O. The money collected is spent on the port for the benefit of the shipping & mercantile communities, and the diversion of any portion of it into a private pocket wd. be irregular. [It wd. have been in better taste had Mr Seely refrained from voting]
