Sir,

I am directed by the Board of Trade to transmit, herewith, a statement of expenses incurred by this Department in the relief of a distressed native of British India named Sheik Goord Ramaya, late of the ship "Lanark" and to request that you will be good enough to move the Secretary of State for India to direct that the sum of three pounds, five shillings and four pence be transferred to the credit of this Department in the usual manner. £3.5.4

The above mentioned Lascar (a native of Madras) shipped in the "Lanark" at Bombay on the 5th March 1894, and was discharged at Havre in April 1894, on the ground of sickness and inability to proceed on the voyage. The balance of wages due was paid by the Master of the vessel and has been applied towards the expenses incurred on the Seaman's behalf.

I have, etc.,
