MARINE DEPARTMENT.

LETTER—from

THE HONOURABLE COLONEL J. PENNYCUICK, R.E., C.S.I.,
Secretary to the Government of Madras, Marine Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
MARINE DEPARTMENT.

SIR,

In forwarding for the information of the Government of India the accompanying copies * of telegrams received by this Government from the Port Officer, Rangoon, I am to point out that it is of great importance that vessels leaving Madras ports for Burma should have the earliest possible notice of changes like those referred to, and that it would thus be desirable that telegrams or letters intimating such changes or conveying information of interest to mariners generally should be addressed direct to the Presidency Port Officer, Madras, instead of to the Marine Department of the Secretariat. I am accordingly to request that, if there is no objection, all officers in charge of ports outside the Madras Presidency may, under the orders of the Government of India, be instructed accordingly.

I have the honour to be,
Sir,
Your most obedient servant,

Colonel, R.E.,
Secretary to Government.

GOVERNMENT OF MADRAS.
MARINE DEPARTMENT.

READ—the following papers :—

Telegram from the Port Officer, Rangoon, to the Chief Secretary to the Government of Madras, dated 24th October 1895, No. 541.

Spit light vessel below Elephant Point Rangoon River will be removed temporarily on 1st November next.

Telegram from the Port Officer, Rangoon, to the Chief Secretary to the Government of Madras, dated 24th October 1895, No. 543.

Light vessel Martaban will relieve Krishna station on 12th November next. Light to be exhibited. A white flash of 5 seconds duration every 45 seconds.

From Commander C. W. HEWETT, R.I.M., Acting Presidency Port Officer, Madras, to the Chief Secretary to Government, dated 31st October 1895, No. 1706/305 G.

With reference to endorsement Nos. 2555 and 2561, dated 28th October 1895, on Marine Current Nos. 841 and 842, I have the honour to state, for the information of Government, that it is of great importance that vessels leaving Madras ports for Burma should have the earliest possible intimation of changes like those telegraphed by the Port Officer, Rangoon. This, I fear, would be rendered impossible and perhaps some vessels may even have left this coast without the information, owing to the delay that must necessarily occur by such telegrams being received by the Secretariat and then transferred to this office. I think it advisable, therefore, that the Government of India be asked to arrange that officers in charge of ports outside the Madras Presidency having any information to afford which is of interest to mariners generally, should communicate the same direct to the Presidency Port Officer whether by telegram or otherwise. Such a procedure will further obviate unnecessary clerical labour in the Secretariat.

From Commander C. W. HEWETT, R.I.M., Acting Presidency Port Officer, Madras, to the Secretary to Government, Marine Department, dated 4th November 1895, No. 1706/309 G.

With reference to your telephone message of the 2nd instant, I have the honour to forward herewith the papers referred to therein.

ORDER—No. 324, Marine, dated 8th November 1895.
