Thro' The Presidency Port Office - Madras

SIR,

I have the honor to submit herewith an
estimate for Rs 298-1-7 from the Board's
Engineers being repairs required for the room
in the Custom House occupied by the
Marine Apothecary, and request the sanction
of Government may be accorded to the
payment of that amount from Port Funds.
The work has been commenced in anticipa-
tion of sanction, as the Port Marine Surgeon
has strongly represented to me that the
marine dispensary should immediately be
put in a good and clean state of repair.
As, under existing circumstances, "Every condition
that one can think of for the tetanic infection
of wounds is present, and the Assistant

"Surgeon is placed at a great disadvantage
"in attempts at successful surgery."
