PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following papers:—

From the Collector of Malabar, dt 15th July 1895,
Ref. on C. N^o. 2198.

At the instance of the Chairman,
Municipal Council, Calicut, the Board of Revenue
in its Proceedings dated 20th August 1893, N^o. 577th Pro.
sanctioned the sale of a piece of land measuring
0.26 acres for Rs 215 to the Municipality for
use as a landing place at Kallai. The
sale was subject to the payment of an annual
quit rent of Rs. 2. The land was accordingly
made over and a Janmam deed issued to the
Municipality.

2. In his letter to Govt. dt 12th Sept. 1893
N^o. 1937, the Chairman requested the transfer
of Rs 283 from the allotment under "new Works
buildings" for the purpose of constructing a plat-
form at this landing place; he also requested
sanction

sanction for the levy of fees on goods landed at, and removed from, this place. Gout. in its order of 7th October 1893 N^o 1360 M. M. (L & M) sanctioned ~~not com?~~ the transfer of funds, but observed that sanction was not required for the levy of fees.

3. In August 1894, Mr. Bradley received a petition complaining of the landing place having been leased to one Mr. Brown by the Municipal Council. The Chairman to whom the petition was forwarded, reported on 6th Sept. 1894 that the right to levy certain fees sanctioned by the Council and to ~~keep~~ the landing place in order was sold to Mr. Brown for Rs 285, that the lessee divided the landing place into two parts — the passengers' landing place & the goods' landing place — that he (lessee) put up a fence dividing these parts and that the Chairman had called upon him to remove the fence. I pointed out to the Chairman that the Council had no authority to levy fees other than those authorized by Act IV of 1884. The Council then resolved to set apart a site 30 ft wide and as long as the landing

landing place for the free use of passengers and the free landing and shipping of goods. The rest of the ground was rented out to Mr. Brown "under the special circumstances of the case on such terms as the Chairman after communication with him may fix" ⁹⁵ what these circumstances and terms are, is not known.

4. I informed the Chairman that if the land had been granted on rent to Mr. Brown, the matter should have been reported to Gout. through me. Vide G.O. ^{1546 L.M.} ₂₅₋₁₀₋₉₄ a copy of the Chairman's reply of 13th June 1895 N^o 569 is enclosed.

5. The transfer of the land to Mr. Brown who, the Chairman now says, has been granted a lease for 3 years should, in my opinion, have been made with the sanction of the Governor in Council. Vide G.O. of 20th Feby. 1889 N^o 210 M. L & M.

As the land is situated within the Calcutta Port limits & consequently belongs to the Port Deptt., it should not, I think, have been sold

to the Municipality. I request the
orders of Govt. in the matter.

b. A file of papers on the subject
is enclosed as per list, for reference and
return.

From the same Office, of 14th October 1895 -
No. 1832
Pub. forwarding copy of report of the
Municipal Chairman, Calicut, on the
Kallai landing place.

Order No. 1828 M. Mis. of 14th November 1895.

The sanction of Government is
not required for the lease of the land refer-
red to.

2. The question raised in the latter
portion of para. 5 of the Collector's first
letter read alone, will be considered in
the Marine Deptt.
