Copy of letter from the Director of
the Royal Indian Marine, Bombay,
dated 24th October 1895, No. 4139.

With reference to Government
of India Public Works Department
letter No. 347-M dated 22. September
1895, I have the honour to beg you
will inform the Government of
Madras that the sum of Rs 15,500,
will probably be expended during this
official year for the construction
of the dredger for the port of
Negapatam, and that the balance
including freight and re-erection
charges at Negapatam will be
adjusted in the next official
year.

The construction of the
Dredger has been taken in hand
and I would therefore enquire whether
the cost of the work, viz; Rs 15,500/-
which will probably be incurred
during current financial year can be
met from the Madras Budget Estimate
of same year.

I beg that early information
on this point may be accorded.
