From

F.W.Ashpittel Esquire,

Executive Engineer, P.W.D. On special duty ordered
in G.O.NO 318.Marine, dated 10th August 1894.

To

The Chief Secretary to Government,
Marine Department.

Sir,

I have the honor to bring to your notice that G.O.NO 21 Marine, dated 18th January 1895 does not refer to the request made in my letter NO 63.W. dated 19th December 1894 that I should be exempted from the necessity of returning to Madras once a month in order to draw Presidency Allowance.

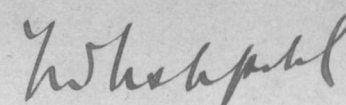

2. Examiners of Accounts, (Vide Civil Service Regulations Addendum to Article 78) whose duties at times necessitate tours exceeding one month in duration, have already been exempted from the general rule regarding Local Allowances and I shall be glad if you will recommend that I may be exempted during the period I am on deputation to the Marine Department

3. If the ordinary rule is adhered to, I understand that in order not to forfeit my Presidency Allowance it will be necessary for me to return to Madras for (say) 24 hours within one month from date of departure. So far as I am able to judge I shall be at Calicut about one month hence and adherence to the rule will mean a long and expensive journey to and from Madras without any advantage to Government.

I have the honor to be

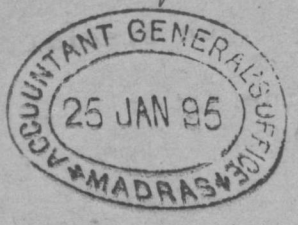

Sir

Your most obedient servant

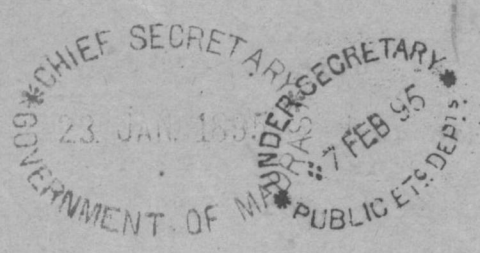

Executive Engineer, P.W.D.

If Mr. Ashpittell's deputation on special duty lasts for more than a month he will not be entitled to draw Presidency allowances for any part of his absence (Article 78 Civil Service Regulations) and in these circumstances to return to Madras once a month, as he suggests, would not make the allowance admissible to him. He must be specially exempted from the operation of the rule by the Government of India.

C. No. 89/95.

FOR ORDERS.

Please see G.O. 18th January 1895 No. 21.

Mr. Ashpittell's pay and allowances in the Public Works Dept. are -

Pay ————— 700
Presidency allowance 100
House Rent ———— 45

845

He will draw while on special duty:-

Pay ————— 700
Deputation allowance 140.

840

and house rent 45 if his special duty does not exceed four months, which it is not likely to do. If it does he will lose 50 a month.

(i.e. 5 months less 1 month for his house rent, which is 45) He will therefore gain only Rs 40 a month unless he is specially exempted from the provisions of article 78 Civil Service Regulations.

This can only be done with India's sanction, and some good grounds should be adduced in support of the application.

It

It is submitted that the special
duty is of an arduous nature
and entails extra expenditure
as Mr. Ashpitel has to maintain
his usual household establish-
ment in addition to a travelling
one -

Orders are requested whether
the Government of India may
be addressed.

It is hardly an arduous task to
travel about in perfect smooth
weather, to make only inspections
and record notes and to be relieved
of all office drudgery. I fear that
no very convincing case can
be made out but if it is considered
that India should be moved and
attempt to make good forward
a case will be made

LD
8/2/95

I do not think that deputing Mr.
Ashpitel on the very important
work wh. we have done ought to
cause him the loss of an anna -
I think we sh^d. make out the best
case we can for him, & ask India
to sanction the exemption asked for.
Mr. A. has to keep on his house for
his wife.

IN M.S

Sir,

I am directed to
request that special sanction
may be accorded, with
reference to article 78
of the Civil Service Regulations
to Mr. Ashpitel, Executive
Engineer in the Public
Works Department, drawing
Presidency allowance while
absent from head quarters
on special duty exceeding

circumstances.

2. At the request of this Government, Mr. Ashpilot, while on long leave, was afforded special facilities for making himself thoroughly conversant with the Light houses ~~in use~~ on the Coasts of ~~the~~ England and France and with the details of the lights ^{employed in them.} ~~concerned~~.

3. Mr. Ashpilot has now been deputed to inspect the lights on the Coasts of ^{the} Presidency in view to any improvements that may be called for being reported

11
necessitate ^{his} ~~Mr. Ashpilot~~ being absent from Madras for considerably more than one month. The special work on which he is employed is of a very important character and could not be satisfactorily carried out except by an expert. It involves some extra expenditure from Mr. Ashpilot's private purse as he is an unmarried man and has to maintain his usual establishment ^{for} of his family in addition to his personal requirements.

4. Mr. Ashpilot's pay and allowances at

Presidency allowance. — Rs 100.

— do House rent — 45.

Total Rs 145.

While on special duty
he will receive: —

Pay — Rs 700.

Deputation allowance. 140.

House rent 45.

Total Rs 885

He will, however, forfeit
his house rent if ^{the} special
duty exceeds four months.

This it is not likely to
do.

5. This Govt. considers
the additional Rs 40
per mensem to be an

altogether inadequate
remuneration for the
special work Mr. Ashpitel

Expenditure which it involves.
I am accordingly to convey
~~the~~ a strong recommendation
of this Govt. that Mr.
Ashpitel may be
permitted to continue
to draw the Presidency
allowance of his grade
during his absence from
his headquarters.

6. As Mr. Ashpitel
has already been away
for nearly a month
I am to request the
favour of orders on this
reference being communicated
by telegraph.
