Sir,

2. As regards his (V. Velayudhan Pillai) abilities I can conscientiously say that had he passed the highest test possible he could not do his work better than he does at present, his books are all neatly and correctly kept, he can draft a very fair letter on matters connected with current duties, and is a good accountant and the fact that Mr Fernandez the Manager of your Office when he inspected the books & records of the various Post Offices recording that those of this Office were in better order than others he had visited clearly proves the competency of Velayudhan Pillai as a Head Clerk

5. The petitioner most respectfully begs
to state that in obedience to the Govt

to Government last year through

by the Priny Port Office, hence the
petitioner was necessitated to go
anomalously and submit his humble
petition direct to Government —
simultaneously praying pardon
for the liberty he has taken now

that his petition may be taken into
Your Excellency's benign and
favourable consideration

6. The petitioner's objects in addressing
this to Government is that steps be

Tuticorin, 31st January 1895

To

H. E. The Right Honourable
The Governor of Port St George
in Council

C. S. Secy. 2

Most respectfully sheweth,

That Your Excellency's
Petitioner and his predecessors were
receiving Rupees 20 since 1870 as
Clerk of Pearl and Shark Fishery
Department in addition to the pay
as Port Clerk, but unfortunately
the petitioner deprived of his former
appointment as per G. O no $\frac{579}{10-8-93}$
Educational, though the petitioner
discharged both duties to the entire
satisfaction of his superiors without
any blemish after faithful service
of 15 years in the Port Department
and

and at the same time the petitioner was well remunerated by the Govt for his hard work in looking after both duties which will be vouched by the Port Officer

2. As the petitioner finds that the Port of Tuticorin is a Sister Port to Madras both in Commerce and revenue vide G.O. No $\frac{426}{6-11-94}$ Marine, the clerical staff is limited to one incumbent on Rs 30 p.m.; whereas the other out ports such as Cochin, Calicut & Calcutta which stand after this Port in every respect are provided with two clerks and the charges thereof Rupees 50 are disbursed from the Port Funds, notwithstanding the petitioner humbly and respectfully begs to point out that the Port of Pamban, though it is a minor port in every respect is yet maintained with a clerical staff amounting to Rupees 35 p.m. and also in Malabar Coast where the Port is closed

closed for about 4 months every year on account of monsoon such as Mangalore the Port Clerk draws Rs 30 whereas the petitioner throughout the year works hard for such a small pay.

3. Your Excellency's petitioner begs to submit that the duties done by the two clerks at the Port above mentioned are solely discharged by the petitioner and he leads to think that there is no necessity for his commenting on the subject as the Presy Port Officer is well aware of the petitioner's various branches of work performed by him in connection with the Port Department here, vide Port Office Letter No $\frac{4}{5}$ dated 28-4-93 to the Presy Port Officer.

+ Copy enclosed

4. Your Excellency's petitioner humbly begs to submit that the several duties in conjunction with the Port Dept are devolving on the petitioner he therefore prays that H. E. would be pleased to take into benign consideration the foregoing statements of facts and authorize the Presy Port Officer to grant him a small allowance in addition to his present salary of Rupees 30-0-0

with justice in consideration of his
hard and faithful service in the Port
Dept and ultimately the petitioner begs
to throw himself on the mercy of Govt

For which act of charity & justice
the petitioner as in duty bound shall
ever pray.

Petitioner begs to remain

Clerk, Port Office,
