From

To

The Presidency Port Officer
Madras.

Sir.

With reference to your letter

No. 1730 *M.* of the 18 "Current", I beg to

inform you that the "Dalhousie" cannot
be made available for the work, on account
of the expense, which, I may observe, will
not fall on the local Government.

The most economical way of
inspecting the Light Houses appears
to be by means of the local Coasting
Steamers.

I am, Sir,

Your obedient servant
