[Despatch Abstract.]

Directing the P. P. O. to take the
requisite steps to give effect to the
suggestion of Mr. Ashpitel that, as there
is but little probability of the proposed
new light house at Virthalamondi being
completed for a considerable time, a light
may be temporarily established on
the main land opposite the Sacramento
shoal.

Proposed new light house at
Virthalamondi - Informing that
there is but little probability of
the - being completed for a
considerable time and suggests
that a light might, with advantage,
be temporarily established on
the main land opposite the
Sacramento shoal.

Dated 22nd February 1895.

From J. N. Atkinson Esquire.
Collector, Thistwa.
To The Chief Secretary to Government,
Marine Department,
Madras.

Sir, I have the honour to request that I may be permitted to grant copies or otherwise make public the correspondence ending with G.O. 416, dated 31st October 1894, on the subject of the Marine, dated 31st October 1894, on the subject of the possibility of making a harbour at the mouth of the Uppatenu river. I have referred to the matter in casual conversation with my friends, some of whom seem inclined to investigate the project further. I presume that Government would have no objection to any action in that direction by private enterprise.

I have the honor to be,
Sir,
Your most obedient servant
W. H. H. H.
For collector.
