I have the honour to enclose
herein copies of reports made to
me by my Forest Subordinate
wherefrom it will appear that
five officers from your Vessel
landed at the Point Calmiere
Forest, shot and carried away
a buck and 2 doe antelope without
first obtaining a license, and in
spite of being challenged: and to
request that you will kindly
communicate to me the names of
the officers.

2. The trespass was made and the
game shot on the 1st and 9th
Instant. An application from
Surgeon Captain Anderson dated
2nd Instant for a license for

himself was received by me
only on the 7th idem and
permission was immediately
refused and letter to that
effect sent to Point Calimere
to await his arrival if he
arrived as this was according to
his request. The trespass and
shooting are both offences under
the Forest Law.

3. I have not issued any license
to shoot in the Forest and I do
not intend issuing any for the
present and request you to be
good enough to restrain your
officers from entry into the Forest
