GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following paper :—

From W. AUSTIN, Esq., I.C.S., Chairman, Harbour Trust Board, Madras, to the Joint Secretary to Government, Marine Department (through the Presidency Port Officer, Madras), dated 26th February 1896, No. 5172 A.

I have the honour to submit, for the information of Government, copy of a letter No. 252, dated 4th February, from the Deputy Port Conservator, requesting that two screw-moorings may be put down north of the harbour, as those at present in use drag from their proper positions.

2. I also forward copy of resolution passed thereon, No. 5, at the Board's meeting of 7th February, sanctioning the estimated expenditure of Rs. 1,528, in anticipation of the approval of Government, as the Board's Engineer reports that the weather is now favourable but will not long continue so.

3. The charge would, under G.O. No. 350, Marine, dated 25th November 1895, be debitable to capital expenditure.

ENCLOSURES.

From Commander C. HEWETT, R.I.M., Deputy Conservator of the Port of Madras, to the Chairman, Harbour Trust Board, Madras, dated 4th February 1896, No. 252.

I have the honour to request sanction to the Engineer, Harbour Trust Board, putting down two screw-moorings north of the harbour, as the ones now in use are always dragging; the cost will be small only that of the screws and putting them down, as we can supply chain that has been taken from the inside moorings.

EXTRACT of Proceedings of the Trustees of the Harbour of Madras, at a Meeting held at the Offices of the Board on Friday, the 7th day of February 1896.
