Letter from the Superintending Engineer, VI Circle, No. 208
T.N., dated 25th February 1896:-

(a)
With reference to your Memorandum No. 881 C., dated the
14th Instant, I have the honour to observe that G.O. No. 280 W.,
dated 23rd January 1896, sanctioning the estimate of Rs. 186000
for constructing a new pier at Tuticorin, did not dispose of
the question whether the supply and fitting up of the cranes
is to be left to the Marine or P.W. Department. I therefore re-
quest further orders on the subject.

Order thereon, No. 752- W., dated 2nd March 1896.

There is no objection to the supply of the cranes being
undertaken by the Marine Department.
