No. 159 Marine
7/11-3-96-

With reference to my letters Nos. 656 T.N. & 138 T.N. dated respectively, 25th November 1895 & 10th February 1896, I have the honor to forward a tracing of the Tuticorin Screw Pile Pier head, and to request that if you approve of the cranes being procured by the Marine Department, you will be good enough to send the plan to the Presidency Port Officer. If this Department is in any way responsible, a drawing of the proposed 15-ton cranes should be sent for my inspection.

I
