Sir

I have the honor to report that Mr. C. Pensey,
Secretary Harbour Trust, is seriously ill, suffering from Congestion
of the liver, and is unfit for duty.

I consider it highly desirable that he should
have the benefit of a sea voyage without loss of time, and that
he should be permitted to be absent from duty for three months.

If considered necessary, I can bring him before
a medical Board, but that would entail delay, and I am
anxious that he should embark by a steamer sailing for
England on the 15th Instant, so perhaps you will deem this com-
-munication sufficient to enable you to grant the necessary leave
in anticipation of sanction by Government.
