READ—the following paper :—

From R. H. SHIPLEY, Esq., Acting Registrar of the High Court of Judicature, Appellate Side, to the Chief Secretary to Government, dated Madras, 4th March 1896, No. 801.

The District Judges of Kistna and Gódvári have allowed unpassed men on Rs. 15 to act in posts the pay of which exceeds their substantive pay. In justification of these appointments they quote clause (3) under Article 3 of the Public Service Notification, and the definition of "acting allowance" in Article 106 of the Civil Service Regulations. If the rule as understood and acted on by the District Judges is correct, an unpassed man on Rs. 15 may act in a post carrying an acting allowance of Rs. 15 and so get Rs. 30 in all. The High Court considers that the rule is not intended to apply to unpassed men already in employment, but only to unpassed men without employment.

2. Under these circumstances I am directed to request that the Government will be pleased to pass an authoritative ruling as to whether the temporary appointments made by the Judges of the districts above named are within the rule, or whether the intention was that unpassed men should not get more than Rs. 15 in the acting appointments inclusive of their substantive pay, if any.

ORDER—No. 184, Educational, dated 31st March 1896.

The Hon'ble the Judges will be informed that Article 3, clause 3, of the Public Service Notification, applies to the appointment of unpassed men, not already in the service of Government, to acting vacancies, on a total of pay and allowances of not more than Rs. 15 per mensem.
