5. All claims under article 1164 of the Civil Service Regulations will in future be governed by the following rules :—

(a) A short journey which does not necessitate the moving of camp from head-quarters shall not be considered to interrupt the continuity of a halt so as to enable an officer to recommence a new period of halt.

(b) The days on which an officer does not maintain camp equipage shall be excluded in computing the lengths of halts for the purposes of article 1164.

6. All officers are requested to note that, in order to establish a claim under article 1164, not only must it be *necessary* to maintain camp equipage at head-quarters, but “camp equipage” must actually be maintained.
